Reflection

Today's gospel reminds us all that we follow Christ by a life of service.

"Teach us, good Lord, to serve you as you deserve; to give and not to count the cost; to fight and not to heed the wounds; to toil and not to seek for rest; to labour and not to ask for any reward, save that of knowing that we do your holy will." (St Ignatius of Loyola)

SVP CHRISTMAS APPEAL

Please help us to make Christmas possible for our families in need.

Kindly put your donations of Christmas fayre in the Basket provided in Church when open. Cash donations also gratefully accepted via Father Francis or Helen Dorgan 07714 108 025.

The SVP gratefully acknowledge an anonymous donation of £200.

ACT OF SPIRITUAL COMMUNION

My Jesus,

I believe that You are present in the Most Holy Sacrament.

I love You above all things, And I desire to receive You into my soul.

Since I cannot at this moment receive You sacramentally,

Come at least spiritually into my heart.

I embrace You as if You were already there and unite myself wholly to You.

Never permit me to be separated from You. Amen.

CHRISTMAS MASSES

Usually the most popular Mass by far is the Vigil Mass for Christmas at 6pm on Christmas Eve – especially for young families.

Given the extraordinary circumstances, this year there will be TWO Vigil

Masses for Christmas – at 4pm & 6pm.

But you will need to book in order to come to EITHER of these Masses.

To maximize the seating capacity, **only families with children living at home (including children at Uni) can book seats before Friday December 4.**

After December 4, couples or individuals will be able to book any spare seats

Bookings opened on Sunday 8 November & will close on Friday December 11.

To book please visit:

COVID :HOW TO SURVIVE A WINTER LOCKDOWN BY THOSE WHO'VE DONE IT

As the dark nights draw in ever earlier and ever colder, the prospect of winter lockdowns across the UK are filling many of us with dread. But millions of people across the world have already experienced coronavirus lockdowns often in sub-zero temperatures - so what can we learn from them?
